HTC CELEBRATES 100 YEARS WITH ALUMNI WORLDWIDE

To celebrate our Centennial Year, we invited alumni to join us in recognizing the milestones that have shaped our success in the last hundred years. We reflected on a century of HTC history and took steps toward the next one. This year, we honored the achievements of our extended community and empowered the next generation of leaders at HTC. We interviewed, reconnected, and partnered with our alumni, friends, and students to reminisce on the highlights of the last century and to create the infrastructure for a successful future. Join us in the coming pages to relive some of the highlights!

ENGAGING ALUMNI ON HTC'S CENTENNIAL WEBSITE

In honor of HTC's 100th year, HTC launched a special website to feature alumni spotlights, current news and programmatic information. We interviewed alumni across North America and Israel over the phone, on zoom, and in person to highlight our alumni and where they are today.

We are thrilled to share the nachas with you. Please visit htc100.org or scan the QR code to read more about our featured alumni.

HTC'S LIKUTEI PESHATIM DISTRIBUTES WEEKLY CENTENNIAL EDITION

In honor of the Centennial year, HTC proudly presented the special edition of Likutei Peshatim, featuring divrei Torah from many of our esteemed alumni in klei kodesh. We shared Torah and inspiration from a sampling of the thousands of young men who have been trained and guided in the hallowed halls of our Beis Midrash. Our alumni include Roshei Yeshiva, Roshei Kollel, Rabbanim, mechanchim, and administrators of institutions worldwide. We salute these alumni and take pride in their accomplishments.

We now continue with a second phase of this effort. Our graduates have moved on to build their families, careers, and communities. Going forward, we will highlight one Dvar Torah each week to be contributed by an alumnus, including those who play active roles in their respective communities and have made a difference as lay-leaders therein. We will share in their Torah each week and hear about their impact on Klal Yisrael. May we be zoche to continued שיתוף דשמיא in producing tomorrow's leaders of the Torah world.

HTC100 CAUSEMATCH CAMPAIGN ENGAGES ALUMNI WORLDWIDE

On May 29-30, HTC set the foundation for the next century of learning, teaching, and leading through a successful crowdfunding campaign. Thank you to the 209 alumni, rebbeim, and student ambassadors from near and far who helped reach out to over 2100 donors, collectively raising over \$1.4 million in just 36 hours.

DID YOU KNOW....

In 1919, Rabbi Berel Wein's grandfather started the Beis Midrash L'Torah in his front room. He took three young men who wanted to learn Torah: Louis Lehrfield, Simon Kramer, Shebsel Baum, and they were later joined by others, including Rabbi Wein's uncle, Charles Rubenstein. His Zaidy would give the shiur in the front room and his Bubby would cook lunch!
