This Shabbos there will be a special Shalosh Seudos at Congregation Adas Yeshurun. Chicago students are invited to join bochorim of the Beis Medrash as well as Rabbeim at 6:00 for Mincha. Following Mincha, the Shalosh Seudos will begin with food and lots of singing. We encourage all students in the area to attend.

## Tennis Tournament

This weekend will be round #2 of the Tennis Tournament. There are now only 14 players left (I am happy to tell you that I am one of them).

## Stock Market Game

This past Tuesday, 21 teams (63 students) began competing against each other and other students throughout the state of Illinois to make the most money. Each team was given \$100,000 of “play money” to buy stocks. The game runs until the middle of December. There will be a second game beginning in January. Besides the possibility of winning prizes from the organization running the game, the Yeshiva will give \$150 dollars to the top team from our school.

## Band

Wednesday night was the tryout for our Yeshiva band. Yaakov Weiner, a member of our Beis Medrash and an excellent musician, heads the band. The band plays at different high school events such as our Chanukah Mesibah and Purim Mesibah.

## From the Dormitory

This past Labor Day weekend was filled with activities for our dormers. Following a very enjoyable Shabbos , which my family and I spent in the Yeshiva, the boys had a lot to do. Motzai Shabbos, the dormers joined the seniors for sports on our campus and at Laramie Park. On Sunday, there was a trip to Navy Pier. Labor Day, there was a softball game followed by a barbecue. Additionally, during the week, we turn on the lights to our basketball court if there are boys who are interested in playing ball. Also, thanks to a generous sponsor, we have purchased

a brand new 40 inch LCD TV for the boys to watch football games. Below is a picture from the event at Laramie Park.

## Coming Up

This Motzei Shabbos, the junior class and dormitory students are scheduled to meet at Laramie Park for night baseball and football. The program begins at 8:45 and ends around 11:00 after pizza at the Yeshiva.

Also, this Motzei Shabbos we begin saying Selichos. Slichos begin at 12:45 a.m. in the main beis medrash with a seder preceding the start of the Tefillah at 11:30.

Although we encourage in town students to attend, it is **NOT** mandatory. Please note, davening begins at 8:45 a.m. on Sunday morning, September 13th.

Beginning Monday, September 14<sup>th</sup> davening will begin at 7:25 (5 minutes earlier than usual) with Selichos. The 7:25 starting time will continue until Yom Kippur.

Have a Good Shabbos
