

Winter 2010

Dear parents and campers:

Winter has hardly begun but camp will be here before you know it. It is my pleasure to provide you with camp information and to invite your son to apply to camp this summer. You and your son will certainly want view the enclosed DVD and see for yourself the excitement that is in store for you son here at Yeshivas Hakayitz. Don't forget to visit our web page where you can obtain the latest camp updates as well as the camp application package.

Last summer was truly a magical summer and we are working hard to make sure that Kayitz 2010 is just as remarkable if not better. Whether this will be your son's first time in Kayitz or he is returning for year number five, our commitment remains the same, to provide him with the very best summer experience imaginable.

Please pass on the camp flyer and DVD to a friend or neighbor whose son you feel would be a good candidate for us. I appreciate your help. As always, if I may be of any assistance in helping your son attend camp, feel free to contact me.

Sincerely,

Rabbi Yosef Polstein
